SPELL COMBAT TRACKING

**THE MASTER'S
BLACK BOOK**

An open spiral-bound notebook with two facing pages of a spell combat tracking sheet. The pages are cream-colored with a subtle texture. Each page is divided into three columns: "Round" on the left, "Spells" in the middle, and "Effects" on the right. The "Round" column contains a vertical list of numbers from 1 to 10, each preceded by a small circle. The "Spells" and "Effects" columns are filled with horizontal lines for writing. The notebook is bound in the center with a silver spiral binding. The pages have a slightly irregular, hand-drawn appearance.

Combat Tools

CUSTOM SPELL SHEET

**THE MASTER'S
BLACK BOOK**

The image shows a spiral-bound notebook with two pages, each containing three 'Custom Spells' templates. Each template is designed for a single spell and includes the following elements:

- Spell Name:** A field at the top left for writing the name of the spell.
- Components:** Three checkboxes labeled 'V', 'S', and 'M' for Verbal, Somatic, and Material components.
- Grid:** A large grid area on the right side of the template, intended for drawing or describing the spell's effects.
- Table:** A table at the bottom left of the template with four columns: 'Type', 'Range', 'Time', and 'Duration'. Each column has a corresponding row for notes.

The notebook is open to two pages, with a spiral binding in the center. The templates are arranged in a vertical column on each page.

PARTY ALIGNMENT TRACKING CHART

Ethics

Lawful Transition Neutral Chaotic

Good

Transition

Neutral

Transition

Evil

Lawful Transition Neutral Chaotic

Morality

Game Master should use this chart to keep track of each player character's alignment as determined by his actions. A player character's initial position on this chart is the midpoint of his professed alignment. Action that are contrary to the character's professed alignment shift the character's position on this chart in the appropriate direction. Game Master must determine the number of boxes to shift in each case. The gray areas labeled "Transition" are passed through when a character's actions dictate a change in alignment. The penalties the character suffers while his alignment is in a gray area are at the discretion of the Master.

Party Tools

PARTY SHEET

**THE MASTER'S
BLACK BOOK**

An open spiral-bound notebook with a light-colored, textured cover. The notebook is open to two pages, each containing three identical party sheets. Each party sheet is designed with a 'Name' field at the top left and a 'Notes' field at the top right. Below these fields is a grid of 15 icons arranged in three rows and five columns. The icons represent various game mechanics: a lightbulb, a speech bubble, a shield with a sword, a wing, a hand, a target, a skull, a heart, a clock, a gear, a shield with a cross, a heart with a clock, and a shield with a cross. The notebook is bound in the center with a silver spiral binding.
